

*Building nonviolent
communities since 1977*

Dear Friend,

In July 2004, Kelly Mann was brutally murdered by her husband in her Nashua home, while her three children listened in a nearby room. On that day in July, Kelly's three young daughters; Ashley 12 years old; Lauren 8 years old; and Kathryn 1 year old were forced to experience trauma that has changed their lives forever. This tragedy happened in our community, and it is not an isolated incident. We need to join together to prevent these tragedies from happening again.

We need your help.

Please consider sponsoring this important fundraiser and help us end violence in our community. You can sponsor this event by:

- Donating an item for our raffle
- Donating 250-300 items for our runner bags (i.e.; key chains, chap stick, laces etc)
- Showing your support by sponsoring our event financially

Sponsorship from your business is an important piece of making this event a huge success, and in helping us in our mission to eliminate domestic and sexual violence, and provide a safe and empowering environment for the survivors.

We would be proud to add the name of your company to our sponsor list! We are a private nonprofit 501(C) 3 organization and all contributions would be tax deductible. All of us at Bridges: Domestic & Sexual Violence Support Services look forward to the possibility of working with you to provide for those in need.
